Dear Families:

I am writing to let you know that an individual from Camrose Outreach has tested positive for COVID-19 today.

Our school will switch to online learning only for the next two weeks, from Monday, April 19 to Thursday, April 29.

We are following all of the health and safety protocols to ensure our school continues to be a safe environment for both students and staff.

Those whom we consider to have been in close contact with the individual who has COVID-19 have been contacted by the school administration and will be quarantining at home until April 29th.

If you have NOT been contacted, you are not considered to be at an increased risk for COVID-19.

Please note that our division will follow the Freedom of Information and Protection of Privacy regulations and will not be sharing any information regarding the specific individual who tested positive.

Thank you for your continued support and understanding. Our school family is strong and we will get through this situation together.

Yours truly,

Laura Swanson

Principal, Camrose Outreach School
