Professional Learning and Collaboration for staff: October 2, 2020

Halfway to quarter end: October 2, 2020

Thanksgiving: October 12, 2020 - no school

Meet the Staff

We have a number of new staff in the building this year! Mr. Lindstrand is teaching Social Studies, Mrs. Cumming is teaching English 10, KE English and Social, as well as options, and Mrs. Kroetch is the CALM, CTS and KE Math and Science teacher. We are so excited to have them join our staff this year!

Career Counselling Update

Mrs. Praticante is the career counsellor for our school and is available via email. She will work with you either in person at the school, or she will set up a google meet with you. Please feel free to reach her at cpraticante@brsd.ab.ca. There are many updates on the division's Career Counselling page as well!

Attendance

Thank you COS students for making appointments before you come to the school. Please continue to call the school, or email your teacher. Also, you should be coming to meet your teachers a minimum of once per week, but you are welcome to come as often as you like, and stay as long as you are able. You should be checking your classrooms daily and doing approximately three hours of school work per core per day!

Don't forget to bring a mask, use hand sanitizer when you arrive, and verify that you are Covid symptom free before you come to school. If for some reason you can't come when you are scheduled, it's very important you reschedule so we can allow another student to come to school.

Parent Teacher Interviews

Please note that this year interviews will be conducted by phone or a google meet. Watch for communication in google classrooms from teachers. You are also welcome to call the school or email teachers directly to schedule a time.
