

BRACE Newsletter

October 2022

Happy Fall, Happy Thanksgiving

School is in full swing! We are almost half way to our first report card, so just a reminder to all students to be checking assignment due dates and deadlines. Check emails regularly for any important updates.

You can access all of your marks in PowerSchool; paper report cards will not be sent out this year. Last year we piloted a paperless system which had rave reviews! Schools across the division are beginning to transition to paperless reporting as marks are continuously updated and live for students and parents to access vis PowerSchool.

Don't forget if you can't come into the school some days, all of your material is available online. It is important that whether you are in person or online, you should be working 5-6 hours a day on school work to stay on track if you are a full time student!

Important Dates in October

Early dismissal is October 6, with classes finishing at 2:15.

There is no school on October 10 for Thanksgiving.

There is no school for students on October 11 as staff will be working in collaborative sessions all day.

We hope you have a wonderful long weekend.

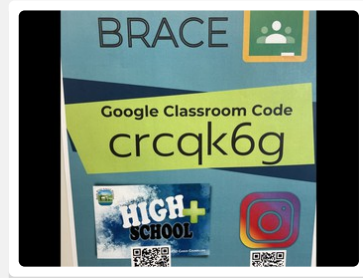

Post Secondary Q & A

On Tuesday November 8 from 5:30-7:00 students and parents can come to the Camrose Composite High School to meet with over 20 post secondary schools across Alberta. If you are wanting to attend, please let Mrs. Swanson know.
