

November 8, 2023

To: BRSD Families
From: Rhae-Ann Holoien, Superintendent of Schools

Dear Parents and Guardians:

Subject: Student Achievements

I hope this letter finds you enjoying a warmer transition to the winter months. Although the first months of the school year are already behind us, I am excited about countless student achievements which bring us forward together.

Successes of our students are a reflection of their hard work and dedication, and of the community and environment they grow up in. Your support has helped students reach their full potential, and we are recognizing outstanding accomplishments during awards ceremonies throughout the fall.

BRSD Board Trustees have been attending these ceremonies and are extremely proud of the achievements of our students. It is an honour to share in celebration with the schools and students. BRSD sends a note of congratulations to all students for outstanding achievements, and extends wishes for a bright and successful future!

Our students have been providing their voices to our messages to celebrate achievements, pay tribute to various special occasions and express messages of appreciation and gratitude. [Here](#) is the radio ad that BRSD broadcasted on local stations, 840 CFCW and 98.1 New Country from Oct. 18 to 25. Thank you to Emily of Central High Sedgewick Public School for providing the voiceover for this important community message. As well, Oakley from Sparling School has shared a heartfelt Remembrance Day message, which is posted on our [website home page](#) and will be aired on the radio on Nov. 10.

Our vision, Every Student, Every Day, a Success, lives in the enthusiasm of our students—your children. I am proud to acknowledge and share the accomplishments of our students.

Stay warm.

Sincerely,

Rhae-Ann Holoien
Superintendent of Schools
